

Bella Donna Dance Testimonials

We LOVE you ladies. You all are the best! My belly dance class here in the Woodlands and I come to see you ladies periodically. Keep up the good work! - Dawn (Woodlands, Texas)

The biggest draw is the belly dancing. I had never seen belly dancing live and a couple of the ladies did a great job. Makes me want to take lessons! - Tracey via Yelp (Houston, Texas)

I was excited to see the belly dancers perform. There were two of them, they were both very lovely and put on quite the show with their sultry Shakira swaying hips. As I looked around the room I saw a couple guys with their mouths open. At one point the belly dancers let the people join them on the dance floor to practice dancing with them, which was entertaining to watch also. -Eren (Houston, Texas)

Go to Byzantio on Thursday nights for belly dancing and you won't leave until the place closes. I've been several times and never been disappointed. The two girls that dance are talented and entertaining. - Katie (Houston, Texas)

On Thursday nights they have their belly dancers. Its kind of crazy and unreal, but a lot of tasteful fun. -Becky (San Francisco, California)

The belly dancers are super nice though! My friend and I were just standing there and they suddenly pulled us in. They started making us dance and I have no rhythm so I must have looked like an idiot. I was terrified but my friend had a lot of fun! haha, afterward they were standing by the bathroom and they told us what good sports we were (I'm sure they were just referring to my friend). Definitely a fan because I don't know of any place in LA or Boston like this. -Heidi (Los Angeles, California)

Thank you for making my birthday so special. You are beautiful inside and out. You helped us feel so special. We love your spirit. - Angele (Houston, TX)

Angele Hi Bella Donna, Thank you so much for the great workshop you taught in Buda recently. I had such a great time and I thought that Sahira and Tamara were wonderful teachers. It was so fun to see you and your students perform. I'll be watching for the next opportunity to see you! - Elizabeth (Buda, TX)
